## MADIBA DAY HELD IN LEARAMELE SPECIAL SCHOOL

A few number of employees participated in the annual International Mandela day on the 18th of July at the Learamele Special School in Mothibistad. The day started off with cleaning of the autism class and thereafter the officials handed over blankets to learners who stay at the hospital. The blankets were received by the principal of the school Ms. Caroline Thebeekae who indicated that the blankets came at a right time because some of the learners use only one blanket and it is not enough given our extreme winter condition. The school remains one of the important stakeholders for the municipality as they rely on sponsors and partnership for the school to function.

The other event took place in Vergenoeg in partnership with Bomme ke Nako Project, a community initiative that runs a soup kitchen and donates to the needy. The event was also attended by representatives from Checkers, Tubular mining and South 32.
