# **DELEGATION FRAMEWORK FOR JOHN TAOLO GAETSEWE**

## **DISTRICT MUNICIPALITY**

  - 0 Sections 156, 160 and 229 of the Constitution of the Republic of South Africa, 1996 (Constitution).
  - 0 Sections 19, 83 and 93 of the Municipal Structures Act, 1998 (Act 117 of 1998) (Structures Act).
  - 0 Sections 4,11 and Chapter 7, Part III of the Municipal Systems Act, 2000 (Act 32 of 2000) (Systems Act) as amended

- (5) **Delegation will be done in writing,**

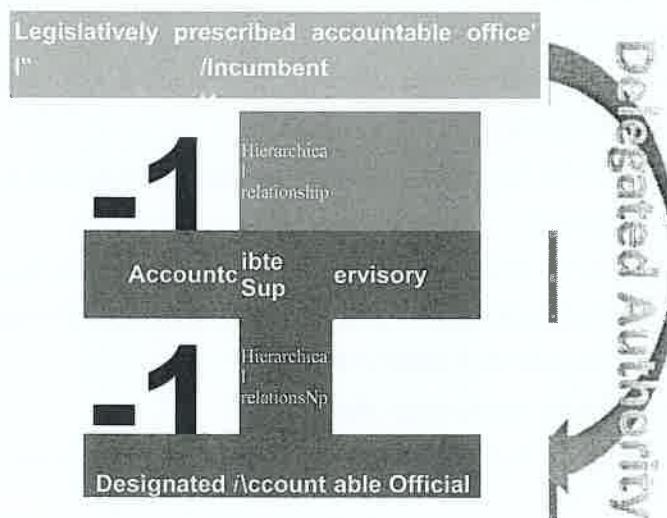

### **PRINCIPLES**

The delegations for the John Taoio Gaetsewe District Municipality are based on the following principles:

1. A distinction is made between the governance function of the COUNCIL, as the political decision-making authority for the Municipality: and

2. The management functions of the ADMINISTRATION. The Council determines the strategic direction for the Municipality and the Administration is responsible for the implementation and execution of the political decisions of the Council.
3. The powers and functions of the Council are regarded as being vested in the collectivism of its members, while the powers and functions of the Administration are primarily vested in the Accounting Officer as Accounting Officer.
4. Certain powers and functions are legislatively vested in the Executive Mayor. These powers and functions are delegated as authorized in terms of the enabling legislation.
5. Certain selective powers and functions are vested in other officials in the municipality. These powers and functions are delegated as authorized in terms of the enabling legislation. Primary examples of such officials are the Accounting Officer, the Center Manager of the Disaster Management Center and the Manager Budget and Treasury Office (CFO).
6. All delegation powers, functions and authority must be exercised within the limitations and scope of regulating laws, regulations, by-laws, decisions of Council and Council-approved municipal policies and frameworks.
7. The delegations indicates the lowest rank (designation) in a specific hierarchical relationship to which a specific power or function is delegated, and does not exempt the incumbent of higher institutional positions in the same hierarchical relationship from their responsibilities in ensuring that the indicated function and/or power is properly performed.

*Figure 1: Principle of the hierarchical relationship in the delegation of powers and functions in the John Taolo Gaetsewe District Municipality*

Based on the above-mentioned principles, the set of delegations reflect a distinction between:

1. Those powers and functions that are vested exclusively in the Council.
2. Those powers and functions vested in the Council, but delegated to its operational organs (committees of the Council).
3. Those powers and functions that are legally vested in the Executive Mayor and delegated, or not delegated in terms of the enabling legislation.
4. Those powers and functions that are vested in the Accounting Officer, and delegated or not delegated in terms of the enabling legislation.
5. Those powers and functions that are vested in other officials in the municipality in terms of specific statutes, and delegated or not delegated in terms of the enabling legislation.

#### **STRUCTURE OF THE DELEGATIONS**

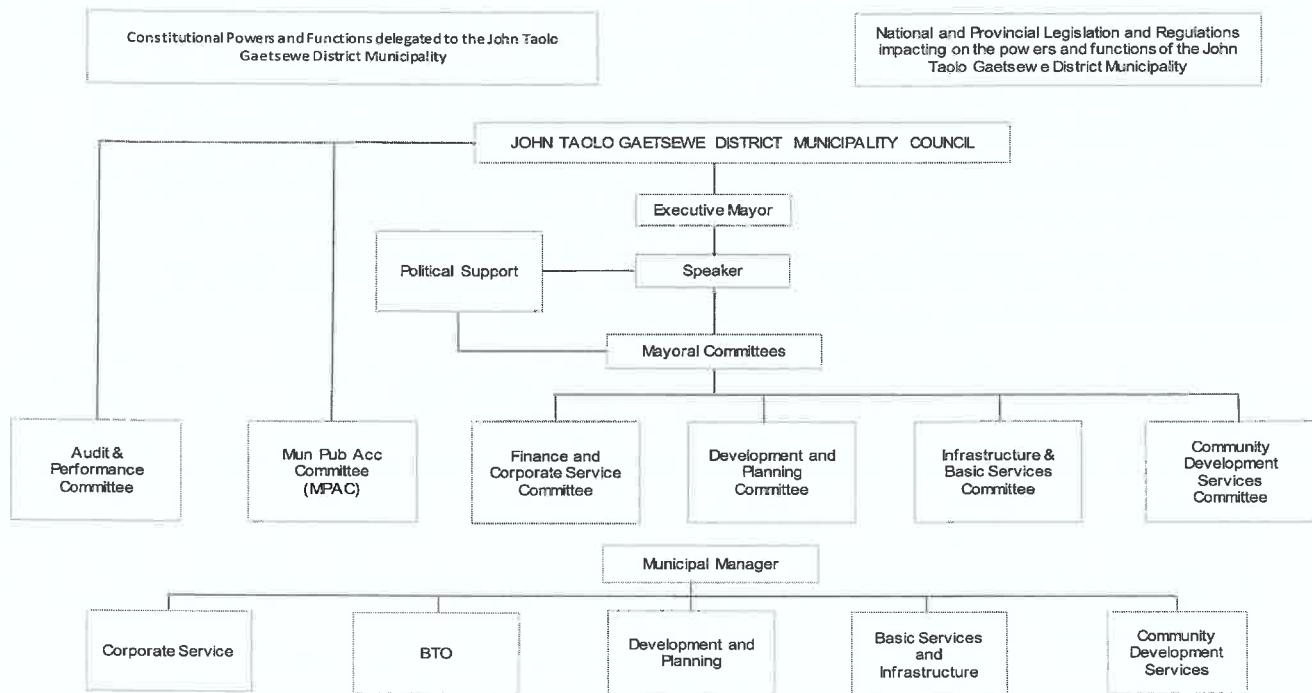

The delegations are divided into the following main categories:

1. Powers and functions exclusively vested in the Council that was not delegated,
2. Delegation of Powers and Functions by the Municipal Council.
3. Powers and Functions delegated to the Executive Mayor.
4. Powers and Functions delegated to the Executive Mayoral Committee.
5. Powers and Functions delegated to the Speaker.
6. Delegated Authority by the Accounting Officer in respect of Powers and Functions related to Financial Management.
7. Delegated Authority by the Accounting Officer in respect of Powers and Functions related to Human Resource Management.
8. Delegated Authority by the Accounting Officer in respect of Powers and Functions related to Supply Chain Management.
9. Delegated Authority by the Manager Budget and Treasury Office in respect of Powers and Functions related to Section 81 and 82 of the Local Government: Municipal Finance Management Act. 2003 (Act 56 of 2003) (MFMA)

In this regard, this set of delegations must be read and exercised within the scope, context and application of Section 59 of the Systems Act, 32 of 2000 which stipulates that “A municipal...

  - (b) Instruct any such political structure, political office bearer, councillor, or staff member to perform any of the municipality's duties; and
  - (c) Withdraw any delegation or instruction.
- (2) A delegation or instruction in terms of subsection (1)-

(f) Must be reviewed when a new council is elected or, if it is a district council, elected and appointed.

(3) The municipal council-

- (a) in accordance with procedures in its rules and orders, may, or at the request in writing of at least one quarter of the councillors, must, review any decision taken by such a political structure, political office bearer, councillor or staff member in consequence of a delegation or instruction, and either confirm, vary or revoke the decision subject to any rights that may have accrued to a person; and

(4) Any delegation or sub-delegation to a staff member of a power conferred on a Accounting Officer must be approved by the municipal council in accordance with the system of delegation referred to in subsection (1)."

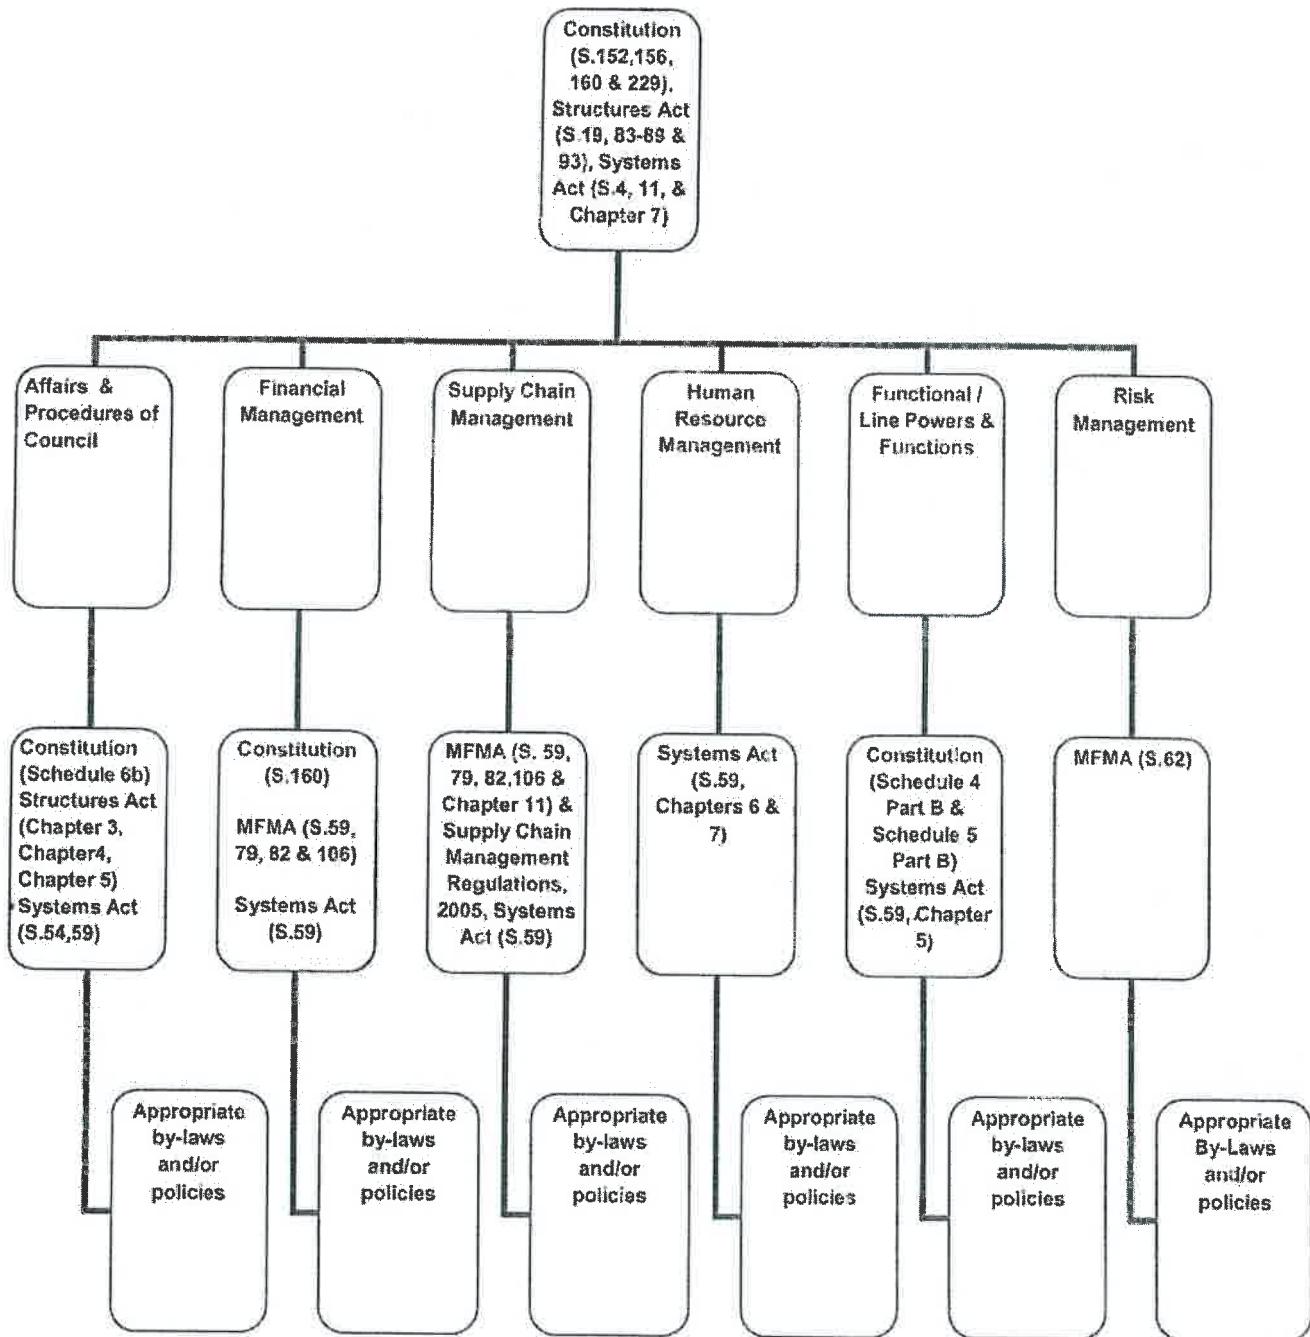

These requirements also served as a legal framework for the compilation of these delegations, and where used as a point of reference to authorize the delegation of powers and authority, especially to enable efficiency and effectiveness in respect of administrative, organizational and service delivery issues for which the Municipality is responsible.

Use has also been made of the stipulations of functional legislation, as stated above, that authorize executing authorities to delegate and/or sub-delegate the responsibility and powers to perform specific functions, and exercise the authority that enables the executing officer to perform those functions. Cognizance was also taken of the Draft Code of Governance, Principles for South Africa, King Committee on Governance (King III report), 2009.
