

JOHN TAOLO GAETSEWE DISTRICT MUNICIPALITY

NOTICE

Notice is hereby given in terms of the Local Government Municipal Systems Act, 2000 (Act 32 of 2000) and Spatial Planning and Land Use Management Act, 2013 (Act 16 of 2013) that the John Taolo Gaetsewe District Municipality, is in the process of reviewing the District Spatial Development Framework, the Rural Development Plan and District Development Model for the 2022/23 financial year.

District Spatial Development Framework (DSDF) - The purpose of the SDF is to spatially guide development and investment in the district and thus also the collective package of plans for the district, such as Integrated Development Plans, Local SDFs, and plans of the various sector departments in the district space. The review is expected to be completed by 31 May 2023.

Review of the Rural Development Sector Plan (RDSP) - The Rural Development Framework is a spatial plan intended to depict the Rural Spatial Concept or rationale for the specific district/metropolitan "IGR Impact Zone." The rural spatial concept will be supplemented with inputs from the various Programmes/Branches of the Department of Agriculture, Land Reform and Rural Development (DALRRD) which will be structured in line with the three key pillars of the departments' Comprehensive Rural Development Programme namely:

- Agrarian Transformation
- Rural/Infrastructure Development
- Land Reform

District Development Model (DDM) - The DDM is an integrated district-based approach that seeks to address service delivery challenges through, among others, localised procurement and job creation that promotes and supports local businesses, and involves local communities.
